DISASTROUS FIRE IN LOUISVILLE

The big Bourbon Stock Yards, located at East Louisville, were totally destroyed by fire on Tuesday night last, together with three or four car loads of hogs, involving a loss of about \$250,000. A large lot of cattle were saved by strenuous work on the part of the employees of the company. Several of the men were quite badly burned while trying to rescue the cattle.

This will be a heavy loss on live stock shippers as well as the company.

The postmaster of Gosconda, Mo., Daniel A. Bugh, says of DeWitt's Kidney and Bladder Pills: "I am doing so well, and improving so fast in health that I can not say too much for your kidney and bladder pills. I feel like a new man. DeWitt's Kidney and Bladder Pills are sold by South & Co.

BAZAAR AND SUPPER.

The Pastors' Aid Society and the Epworth League, of the Methodist Church, will give a bazaar and supper December 6th.

This will be in the courthouse, and here are a few things that will be open to your inspection:

Dolls, all sizes—beautifully costumed by hand—so cheap that every little girl can have a dollie.

Bags, and plenty of them, all sizes and prices—from the bachelor's laundry bag down to the ladies' fine opera bags.

One hundred beautiful hand-made handkerchiefs, cheaper than you can buy the material.

Fancy and domestic aprons will be among the most useful articles for the housewives.

Comforts, long and wide, made of the best material, cheaper than you could make them.

The fancy table will contain many a nice little gift that would do for Christmas—hand painted china, card cases, pin cushions, sofa pillows, etc.

When you tire of shopping you can rest and be served with delightful refreshments, all home prepared.

Each booth will be in charge of ten ladies ready to serve you.

COLLECTION OF REVENUE TAXES

Deputy Collector Grant L. Roberts has collected internal revenue taxes for the month of October as follows: 3,808 barrels; 147,172.3-10 tax gallons; \$161,889.53 amount of taxes.

MONDAY'S BLAZE.

An alarm from box 35 called the department, at 11:25 on Monday morning, to the residence on the corner of the alley between Wilkinson and the river, on Broadway street, where a blaze about a chimney (caused by a defective flue) inflicted about \$100 in damages upon the building.

The house was occupied by Mrs. S. M. Forsee as a residence. The furniture, etc., was damaged by water, fire and breakage to a considerable extent.

CALLED TO NEW YORK.

Rev. A. H. Lindsay, of Flemingsburg, has been called to the pastorate of the Franklin Presbyterian Church, New York State.

Mr. Lindsay is well known in this city, having married Miss Sadie Grant, the daughter of the late Mr. R. M. Grant. He is an eloquent and able minister. His friends rejoice in his being called to a larger field but regret his leaving Kentucky.

YOUNG LADY BREAKS LEG.

Miss Sarah Olaxton, daughter of Mr. W. H. Claxton, of Peak's Mill, was returning to her home, on Saturday, in a buggy with her brother. When they reached the foot of Cedar Cove Hill, on the Owenton pike, the horse became fractious, which caused the young lady to jump from the buggy, and when she alighted on the pike her left leg was broken just above the ankle.

Dr. Patterson was called and reduced the fracture.

ATTENTION, NEEDLE WORK GUILD SUBSCRIBERS.

Mrs. Hiram Berry, President of the Ladies' Needle Work Guild, desires all those who have subscribed garments for this fund to send the same to the director from the different churches, so that the distribution be made to the suffering poor as soon as possible.

NAVIGATION RESUMED.

The repairs upon locks No. 5 and 6, on the Kentucky river, having been completed, navigation has been resumed and the Falls City will resume trips to the up-river points.

HIS DEAR OLD MOTHER.

"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels very strong and sleeps well. That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children, too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles by all druggists. 50 cents and \$1 bottles.

REPUBLICANS VICTORIOUS.

**Landslide Which Carries with It The
Whole Ticket—Tarleton for Rail-
road Commissioner—Legis-
lature in Doubt.**

On Tuesday last, the not unlooked for landslide (to the unprejudiced outsider) arrived on schedule time. The Democratic majority of 27,000 for Beckham, four years ago, was wiped out, and a majority of some 18,000 rolled up for Hon. Augustus E. Willson and his companions (the variation in majority between the head of the ticket and the rest being very small.)

For several years there have been protests, both loud and deep, against the way in which the "machine" was disregarding the wishes of the rank-and-file of the Democratic party, and arranging the disposal of the various offices among its adherents, without the slightest attention being paid to those not training with that faction.

So at last the Independents' opportunity came and they made good use of it.

At the hour at which we write we have been unable to get the vote of even the county of Franklin official, but enough is known, by the retained certificates, to assure the result.

Many funny explanations are being put forth by the "down and out club," but the real reason is—they did not get enough votes—let it rest with that.

The Republicans have every reason to be proud of their victory. They nominated an able and clean ticket; their campaign was pitched on a high plane; they represented something, and, having something to represent, they went at their work with a will and determination that has not characterized their work for many years in the past.

The State is to be congratulated upon the selection of high-class men who will give a clean and upright administration, honesty in elections and a general clearing away of the bitterness of the last seven years is assured.

CELEBRATE SOME.

The happy Republicans hired a small brass cannon from Mr. John C. Mastin, on Thursday night, and taking it up to the cupola of the custom house fired a national salute in honor of their victory on Tuesday.

"The boys" have been very moderate in their rejoicing and have not "rubbed it in" on the Democrats.

METHODS IN BILLBOARD CAMPAIGNS.

**Clinton Rogers Woodruff Writes Of
Progress in Various Parts of
the Country.**

In an excellent article, "The Crusade Against Billboards," written by Clinton Rogers Woodruff, first vice-president of the American Civic Association, a general idea is given of the increasing success of the crusade against advertising nuisances. Mr. Woodruff's article is published in The American Review of Reviews.

"It seems strange, but it nevertheless is true," begins Mr. Woodruff, "that the Municipal League of Los Angeles has been offering prizes for ugly spots in that city. Most cities and most respective organizations like to put their 'best foot foremost.' There however, is a deliberate effort to find out wherein this generally beautiful city is lacking, so that it may become a wholly beautiful city. Rubbish, weeds and billboards have afforded the camera abundant material, and the showing of delinquencies is very likely to be followed by some much-needed cleaning up."

"Seattle had a similar campaign, not long since, under the leadership of The Post-Intelligencer, and the results were excellent for the time being. But such work to be permanently effective must be followed up persistently."

"The Los Angeles example is worthy of imitation, especially in connection with the crusade that is so very badly needed in every community for the elimination of the objectionable billboard."

If the citizens and public officers of a community could be shown by means of photographs how intolerable the poster nuisance is, it is difficult to believe that they would long remain inert.

There is now no question in the minds of thoughtful observers that the presence of unsightly billboards is incompatible with the presentation of an attractive aspect in a city. It is like the placing of a garish patch on a dress suit. Moreover, public authorities are beginning to appreciate that not only are billboards detrimental to the physical beauty of a community, but likewise to the health and property.

"American materialism has not as yet stifled the love of beauty, nor has it succeeded in convincing the world that ugliness is a necessary component of beauty."

Mr. Woodruff then cites some exam-

ples of working methods in various parts of the country:

Out in Cincinnati the Committee on Municipal Art of the Business Men's Club "has compiled a list of offensive billboards within a certain district and is making photographs of the particularly objectionable ones, and is requesting the users of these boards, in the name of civic beauty, to abandon the method of advertising. They have been most encouraged."

In Menominee, Wis., Anderson by name, tried, and then, as a more effective method, obtained an option upon the signs of the town and had the signs obliterated. In Tacoma, W., 300 determined members of the No End Improvement Society used to boycott.

In conclusion, the article discusses the legislative campaign to rid municipalities and towns of their unsightly billboards. Says Mr. Woodruff:

"The billboard certainly is not gaining in popularity. The revolt against the objectionable use of billboards is spreading day by day. They are being attacked in various ways and the lawmakers and taxing powers are being resorted to for control, and, if possible, eliminate them. A goodly number of bills were introduced in the recent sessions of the State Legislature along the lines suggested by the American Civic Association to give the local authorities power to license and tax them."

"They were all defeated because the billboard promoters were, for the time being, stronger, and better organized; but the people, who are the real opponents of the billboard, are only awakening to their responsibilities in the premises."

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses "The Sacred Herb." Demand Dr. Shoop's. Take no other. Capital Pharmacy.

An immediate and important consequence of the reformation of the labor unions would be collective bargaining. Contracts would be safe between employers or organizations of employers on the one hand and organizations of workers on the other in which wages, hours and other details of labor could be fixed for a term of years in advance. During the time covered by the contracts this would diminish the pretext for agitation among the restless spirits in the unions, would give employers a chance to plan work for a few years ahead, and would give confidence and a stability to the business world which are lacking now.

DOCTORS' MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better, because of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and insuring comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

HE PLAYED FIREBALL.

Visitor in This City Knows all About the Once Popular and Exciting Game.

"I have played fireball many and many a time, and I will tell you about it," said Capt. S. W. Swift, of Springfield, Mass., who is visiting Geo. D. Scott at No. 37 Washington street. Capt. Swift is 83 years old, and he told The Times reported that he does not remember of seeing a game of fireball in seventy years.

"I saw that piece in The Times the other day about the ordinance against playing fireball in the square in your city back in 1818. Many a great time have I had playing the game when I was a lad in my native town of Colchester, in this State, but seventy years ago the game was a very popular and exciting one all over the State.

"In old times, you know, people burned open oil lamps and candles and made a lot of their own candles, and there was a lot of wicking around in those days. We used to take that wicking and wind it up into a ball as large as a modern football, and then we would soak it in a bucket of turpentine. When the ball was soaked through and full we would carry it into the street at night and touch a match to it, and then the game was on for whoever wanted to join in the sport.

The fellows would kick it and catch it and throw it much like they do football these days. By dexterous movements one could catch the ball of fire and throw it without being burned, and there was a great element of excitement in the game. Strips of wicking would fall off, sometimes a couple of feet together, and the street would be littered with fire and the fun was simply something great."

After explaining that there was no element of contest in these exhilarating, pyrotechnics, Captain Swift told The Times reported about a little party that he had had this summer.

The Captain had been spending the season at Crescent Beach, among old friends, and he, with four others, had been having good times. One day Captain Swift gave a little party and the five of them had a group photograph taken while sitting on the porch of his cottage. The ages of the five totalled 418 years. The four old cronies were Lyme residents, and the party was made up as follows. Captain Ira Beebe, 86 years. Captain Anson Crocker, 85 years; Mr. Levee, 84 years; Captain S. W. Swift, 83 years; Captain Richard Beebe, 81 years. The other old friends, Captain Franklin Warren and Captain Horace Dennison, wanted to go to the party and get in the picture, but they were only 78 years old, each, and Captain Swift says he and the four refused to let any youngsters into the party.

STATE DEVELOPMENT.

The Sixth Annual State Development Convention, which will be held in Louisville on the 19th, 20th and 21st of this month will pass in interest any sort ever held in Kentucky. The efforts are being put forth by the local Committee of Arrangements, Louisville, and the members of the executive committee of the Kentucky State Development Convention throughout the State.

Invitations to the well-known topics of interest in the State, and the list of delegates received is from the State of Kentucky. Senator McCleary, known, has devoted considerable time and attention in the United States Senate to the subject of the Panama Canal, and he has therefore consented to address the convention on the subject of the Panama Canal and its effect on the trade and industries of the Southern States.

The fact that Senator McCleary's services have been obtained for the convention is a matter of much gratification to President E. J. McDermott and his assistants. He is greatly pressed for time but agreed to speak because of the importance of this gathering of representative Kentuckians.

Much work is being done by the Committees on Invitation and Delegates. Throughout the State, hundreds of prominent men have been urged to take a part in the work of securing a proper representation on the floor of the convention from each county, and a gratifying interest has been shown.

The relation of the press to the progress of Kentucky will receive considerable attention on the programme of the convention, and Mr. Lew B. Brown, President of the Kentucky Press Association, is to make a speech on this subject. Mr. Brown's knowledge of his topic is intimate, and his discussion of the subject should do much to harmonize the efforts of the press and other various factors in Kentucky's progress.

It is the earnest wish of the convention workers to have on hand a big gathering of Kentucky's men to hear these profitable discussions.

The finest coffee substitute ever made has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Healt Coffee" is really the closest coffee imitation ever yet produced. Coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Capital Pharmacy.

A HARD DEBT TO PAY.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by all druggists. 50 cents and \$1. Trial bottle free. For sale by all druggists.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nervine Cured Me.

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Eldredge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nervine and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nervine. I felt better after the first few doses and two bottles of Nervine and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

MARRIED.

PARRENT-HALBERT—In this city, on Wednesday, Mr. Harry M. Parrent and Miss Nancy Halbert were married by Rev. Jos. M. Severance.

Mr. Parrent is the capable and efficient bookkeeper for Messrs. Labrot & Graham, and is a fine, popular young man. His bride is a pretty and lovable young woman. The young people left that night on a wedding trip. We extend hearty congratulations.

MAXFIELD-BROUGHTON—In this city, on Wednesday, Mr. George M. Maxfield and Miss Polly Broughton were married by Judge J. H. Polsgrove.

DAILEY-THOMPSON—In this county, on Wednesday, Mr. John R. Dailey and Miss Lillie Thompson were married.

SCHNEIDER-HAWKINS—In this city, Mr. Otto Schneider and Miss Margaret Hawkins were married by Rev. C. R. Hudson.

BAD WRECK.

The C. & O. west bound freight train met with a bad wreck at Yarnallton, on Wednesday morning. The cars left the track and were twisted and turned every way, blocking the road until a late hour that night.

The C. & O. passenger trains went by way of the Louisville Southern. Transfers were made by the L. & N. passenger trains, but all transportation was badly delayed.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

CAPITOL PHARMACY.

It is testified that the Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Frankfort citizen:

Mrs. Margaret Weltzel, of 318 Mero street, Frankfort, Ky., says: "For a number of years I suffered from a persistent aching across the small of my back and through the kidneys. At times my back was so bad that I could hardly sit still, get up or down, or lift anything, even of ordinary weight, like a kettle of water. At night it bothered me so that I could not rest comfortably, and when I first rose in the morning I felt tired and worn out. The kidney secretions were irregular, highly colored and distressing, and on standing deposited a heavy sediment. I saw Doan's Kidney Pills advertised, procured a box at J. W. Gayle's drug store and began to use them. In a few days I noticed that the secretions had assumed a natural appearance, the pains and aches left me, and I felt as well as I ever did. Nothing pleases me more than to speak a word in favor of Doan's Kidney Pills."

COUNTRY RESIDENCE BURNED.

At 5:30 p. m., on Thursday evening, the residence of Mr. Preston L. Gibson, near Ducker Station, was discovered to be on fire (occasioned by a coal oil stove in the kitchen) and in a few minutes the house was totally destroyed, involving a loss of about \$4,000, upon which there was an insurance of \$2,000.

The house was the old home of the Gibson family, and was erected in 1825. It was a brick house. It has been the scene of much lavish hospitality in the long ago.

A small part of the furniture was saved by the hard work of neighbors, who came to help as soon as the fire was discovered.

Mr. Gibson and his estimable wife have the sympathy of many friends in their misfortune.

.. DEATHS ..

REID—At the residence of her daughter, Mrs. Luther Burdin, on Wednesday, Mrs. Zach Reid, aged 50 years, very suddenly of pneumonia.

Mrs. Reid was a devout member of Evergreen Baptist Church. She was a good woman, beloved by all who knew her.

She leaves a devoted husband, two sons and two daughters to mourn her death.

The funeral services were conducted on Thursday morning by her pastor, Rev. L. T. Wright, assisted by Rev. J. H. Burdin, from the First Baptist Church in this city, and the remains were laid away in our cemetery. Sincere sympathy is extended for the bereft.

REMEMBER THIS.

Mrs. Wiggs, of the Cabbage Patch, assisted by the Junior Auxiliary of Ascension Church, will give a party at the Parish House on the afternoon of Friday, November 15th.

Mrs. Wiggs will have cabbages for sale, and each cabbage will contain a pretty present. Miss Hazy and Lovey Mary will assist Mrs. Wiggs in receiving her friends, and a jolly good time is promised to every one who goes to their party. They hope a large crowd will be there, especially the little people, but grown-ups are also welcome. Please tell all your friends to come.

Thomas A. Edison, the great American inventor, says: "Fully eighty per cent. of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat the wrong kind of food the digestive organs can not possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and also warns you by headaches, belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants—and vegetable acids, and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat. Sold by South & Co.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

"The time-worn injunction, 'Never put off till to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!'" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Shoop's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

PEA RIDGE.

Miss Della Tracy, whom we all
thought was lost, returned home yes-
terday, and we are glad to see the
belle of Pea Ridge once more.

Lost--Wonder what has become of
Mr. Bolen Evans? He has sold his lit-
tle crop of corn, raised on his little
farm on Pea Ridge, for a young calf
and ten cents. Reward is offered to
the one who finds him. I guess you
can find him over about Benson, for
the last that was seen of Mr. Evans he
was going over the hill with his calf
by the tail. Say, friends, don't you
all feel sorry for Mr. Evans.

We are glad to know that Mr. R. A.
Varner spent the day Sunday with his
only friend on Pea Ridge (colored
man) Will Mason.

Miss Roberta Chambers, who has
been sick for some time, we are glad
to say, is almost well.

Mr. and Mrs. Allen Conway were
the guests of his sister, Mr. and Mrs.
J. Robert Sudduth, Wednesday night.

Mr. and Mrs. Donovan and children
are visiting in Lexington this week.

Mr. Chester Lacey and friends,
Misses Edith and Lilafrad Edge,
were out driving Thursday evening.

People on Pea Ridge are expecting
a big wedding.

What has become of Blue Belle,
Bensonite, Black Eyes, Uncle Sammy,
Uno. We would be pleased to hear
from all once more.

Wonder what has become of Miss
May Wilson and also of Mr. Polk
Conway. We haven't seen them on
Pea Ridge for some time.

You can't be well if you have a
weak, unhealthy, tired out stomach.
Neither can you feel good if by some
little irregularity in eating you have
caused the stomach to get out of

LOSES FINE HORSE.

We regret to learn that Mr. Henry
Wright, of the Evergreen neighbor-
hood, was so unfortunate as to have a
fine horse belonging to him killed, on
Wednesday night, October 30th.

It seems that Mr. Wright's son was
driving into town, in a buggy, and,
when near the Saffell distillery, a col-
ored man came driving out the pike,
in the dark, and drove into the horse,
the shaft piercing its breast and kill-
ing it. The young man had given al-
most all the road and was against the
fence when the negro drove into him.

THERE IS A GREATER DEMAND FOR

High Grade Vehicles

Than ever before. The public have at last come to the
conclusion that a **CHEAP** vehicle is **DEAR** at any
price. Our work is strictly hand made, and is sold under
a guarantee that means something. If you want a vehicle
that is first-class, and will give perfect satisfaction, drop
us a card, and we will call to see you. We know we can
suit you in both quality and prices. All we ask is an
opportunity to discuss the matter with you.
